EDUCATION SERVICES

The latest in free digital tools, programs and resources from PBS.

Autumn 2015

Looking for high-quality content for Native American Heritage Month?

When the US government promised to educate Native American children, their parents thought they were helping them. But abuse, cultural devastation, and family deterioration resulted instead.

PBS LearningMedia offers **video clips and content about Indian boarding schools** from the **American Experience**-produced series, **We Shall Remain**. The **show's website** also offers content and teaching resources on numerous other Native American issues.

Mark your calendars: Date, venue set for Teacher Training Institute!

Need PD? Due for CE credits? Our Prairie Region Teacher Training Institute provides both in this high-quality, highly affordable workshop. We'll also provide you with respected speakers, master teachers in break-out sessions, and helpful info on how to integrate digital media in your classroom.

SAVE THE DATE:

Prairie Region Teacher Training Institute
June 21-22, 2016
Minnesota State University Moorhead

Stay tuned for these special holiday shows ...

Wild Kratts: A Creature Christmas.

It's the holidays and the Wild Kratts team find their holiday party is quickly turning into a rescue mission. Will they be able to travel the Earth and return their baby animal friends to their homes in time for the holidays?

Airs: 3:30 pm Central, Wednesday, Nov. 25

[Watch preview!](#)

Introducing Nature Cat!

Following **Wild Kratts**, you can catch the world premiere of [Nature Cat](#), an action adventure series starring Fred, an ordinary housecat who becomes his daring alter-ego "Nature Cat" when his family leaves for the day.

Airs: 4:30 pm Central, Wednesday, Nov. 25

Just in: PBS LearningMedia's 1st app for students!

Love LearningMedia and its tens of thousands of teaching resources? Good news: Your students can now access it via a brand-new PBS Student app, available for free for iPad.

The app is the ideal platform to watch and learn with videos, games and images from PBS and PBS KIDS content including resources from **Nova**, **Daniel Tiger's Neighborhood** and the [Ken Burns collection](#) anytime, anywhere.

It provides resources in all topic areas - in a safe, trusted destination - for students seeking content to help with homework.
